

Payment Policies

At this time, we are not working with insurance companies. We may be able to provide a superbill that you can submit to your insurance for reimbursement.

Wildflower Services & Consulting, LLC is providing care to me and to my baby or babies; together we are all the client of Wildflower Services & Consulting.

My initial visit includes 2 weeks of follow up support by secure messaging, email, or text. Continued text/phone/email support is available for a weekly fee of \$25. These fees are elective.

If my location has a travel fee applied, I understand that this will be communicated to me upon booking confirmation.

Wildflower Services & Consulting, LLC may communicate with my credit card company or bank for any payment related matters. It is my responsibility to provide accurate and current payment and insurance information. I will update my credit card information as needed and am responsible for any costs and fees associated with my failure to provide updated information.

These policies apply to Wildflower Services & Consulting and its representatives.

Payments may be made electronically using a credit card or fund transfer. I use SquareUp to process payments. SquareUp meets the high standards of HIPAA and the banking industry for security and privacy with regard to financial transactions. However, SquareUp may send, automatically or per your request, email or text message receipts that reveal personal health information such as the date and type of lactation visit. If you are not comfortable with this, payment may be made via cash or check instead.

Cancellation policy: *I understand that I am responsible for prepaying for charges associated with this visit. If I cancel with less than 24 hours notice, I am not eligible for a refund. If I cancel more than 24 hours in advance, I am eligible to reschedule or for a 50% refund.*
